

"Inducor managed our building construction from the very beginning of the project when we were looking at land up until we were moved in. The service was impeccable and very professional. Building a building from 3,000 km away was un-nerving to say the least at first, however Inducor made it much easier and reduced our cost as we did not need to travel as nearly as often".

- Mr. Braden Green, Director of Operations, Tenaquip Limited

"They are a professional firm and a pleasure to deal with."

*- Mr. Luigi DeGeso,
General Manager, MAPEI Inc.*

"Inducor has always conducted themselves with great professionalism always employing ethical standards in their dealings. They are responsible and attentive to detail which is very much appreciated when time is such a valuable commodity that can't be wasted."

- Mr. Blair Sinclair,

Regional Manager, First Industrial Realty Trust

"Chris Saunders and Laurae Austin provided qualified and professional advice on the needs of their client and diligently worked to facilitate the lease transaction through to a successful conclusion."

- Mr. Kalen Morton, Regional Leasing Manager, ING Real Estate Canada LP
